**Sand & Sage Demolition Derby Set for April 30**

The Sand and Sage Round-Up has moved the traditional August derby to April 30 at 7pm. In an effort to attract more cars the Sand and Sage Round-Up has teamed up with Outlaw Promotions.

There's also been a classification change to this year's derby. A limited weld derby will be held instead of past year's no-weld derby. Changing this classification will allow greater safety for the drivers as well as harder hitting for the fans. The Pick-Up Demolition Derby is also returning to this year's event, and this classification will also be a limited weld derby.

For more information about the April 30 Derby, visit [www.sandandsage.org](http://www.sandandsage.org) or [www.outlawpromotion.com](http://www.outlawpromotion.com)
