**Older Residents Urged to Take Precautions against West Nile Virus**

June, 2011-The Prowers County Department of Public Health and Environment advises all residents to take precautions against West Nile Virus. Summer has arrived and this is the time of the year that mosquitoes that carry the virus become active.

Residents can take simple steps to minimize contact with mosquitoes and prevent infection with West Nile Virus:

- DRAIN standing water around the house weekly since it's where mosquitoes lay eggs, including: tires, cans, flowerpots, clogged rain gutters, rain barrels, toys and puddles.
- DUSK & DAWN are when mosquitoes that carry the virus are most active, so limit outdoor activities or take precautions to prevent mosquito bites.
- DEET is an effective ingredient to look for in insect repellents. Always follow label instructions carefully.
- DRESS in long sleeves and pants during dawn and dusk or in areas where mosquitoes are active.
- For tanks and ponds use larvicides as directed, larvacides can be purchased at various retail centers in Prowers County

West Nile was first introduced in Prowers County in 2004 and human cases have occurred at various levels since then. In 2010 Prowers County had 4 cases and the first human death due to complications from West Nile Virus. Colorado had a total of 81 confirmed cases state-wide and 4 deaths in 2010.

Don't let mosquitoes ruin your summer... Keep insect repellent handy and get rid of mosquito breeding sites in the yard!

For more information you can call Prowers County Public Health and Environment at 336-8721 or you can visit [www.prowerscounty.net](http://www.prowerscounty.net) or [www.FightTheBiteColorado.com](http://www.FightTheBiteColorado.com). **LAND OWNERS UNITED, INC. Public Meeting regarding Conservation Easements.**

Thursday, July 7th 5 p.m.

Lamar Cultural Events Center, Main and Parmenter, Lamar, Colorado

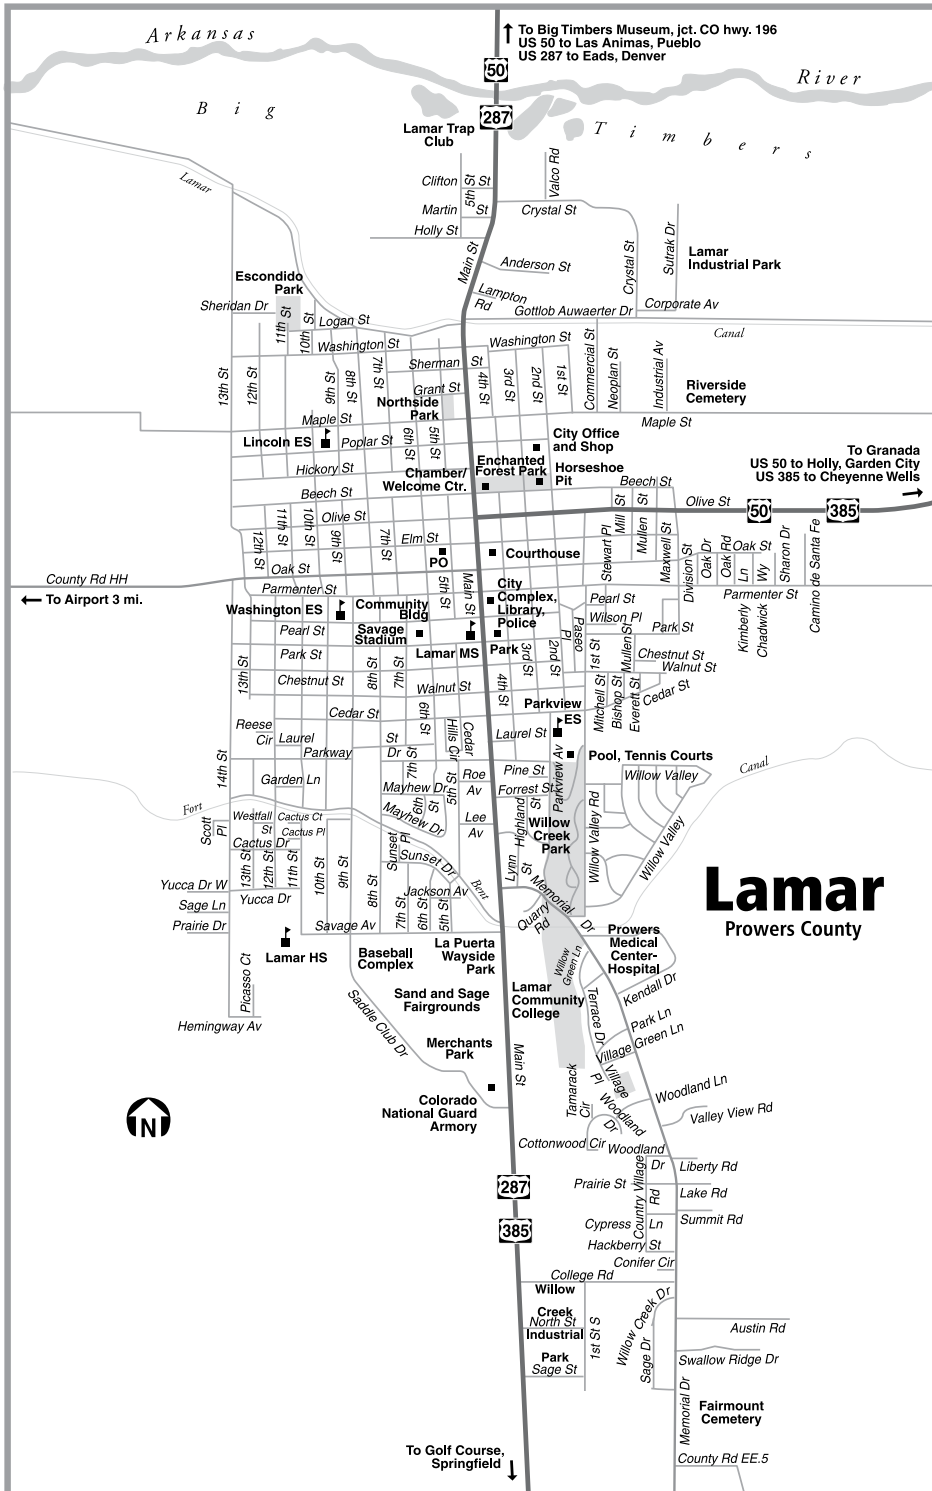

Attorney Eric J. Voogt will address possibilities of a class action law suit based on the preliminary research of the Inman Flynn Law Firm. The firm believes there is a viable case and will discuss various aspects of completing their research. Associates will attempt to answer all related questions regarding the "cause of action" as well as aspects of being included in the class action law suit.

There will also be discussion regarding recent passage of legislation HB-1300

**LCC's OPEN HOUSE BIGGER & BETTER**

Lamar Community College will host its annual Open House for prospective students on Tuesday, July 12th at 4 - 7 p in the Betz Technology Center Atrium; the open house traditionally focuses on adult learners.
