## October is Fire Prevention Month

The National Fire Prevention Association has designated October as Fire Prevention Month. October begins the "heating season" - when fires are more common than during the rest of the year. October is also the month ushering in the holiday season (counting Halloween), and the holidays themselves are a season of increased fire risk. For instance, more residential fires occur on Thanksgiving Day, than on any other single day of the year - more than double the daily average!

A fund raiser for the Lamar-Prowers County Volunteer Fire Department Fireworks fund will be held Saturday, October 8, 2011 from 11am to 3pm at the Lamar Wal-Mart. Come on out and enjoy a bratwurst, Frito-Lay chips and a Pepsi for \$5.00. All proceeds will go the 2012 fireworks fund. The fire department will be on hand to showcase their equipment and provide information on fire prevention. Contact: Mike Duffy 688-3180 for more information.
