The Library has many activites planned for the future.

The Friends of the Lamar Public Library, Inc. is planning for the book sale which will take place in April. Please start sorting the books you plan to donate, but do not bring them to the library until mid-March as there is no place to store them at this time.

There will be three age groups for the Summer Reading Program. Registration will begin in June. Watch for more details to be available soon.

Even though the "Read Runner" bookmobile is gone, there are plans to add a replacement vehicle in the near future. This will serve our patrons who are unable to visit the library.

Classes continue to be scheduled for Skype, basic computer classes, and Nook and Kindle users. Call the library to register for any of these classes, or to ask for private tutoring.

Do you like movies? The Library has a large collection of DVD's that can be rented for a small fee. Stop by and browse for a book or a movie for these cold winter nights.
