One Book 4 Colorado

One Book 4 Colorado is a statewide effort to provide every four-year-old in Colorado with the same book, helping to instill a love of reading in Colorado youngsters.

Books will be distributed to 4-year-old children across the state at local public library events and at Reach Out and Read clinics and local doctors' offices between April 7th through April 21st, 2014, starting on April 11th at the Lamar Public Library.

Books will be available in both English and Spanish, and will be accessible to children with special needs.

To ensure school readiness, it is critical that four-year-olds have frequent and routine access to books and that they be read to consistently. The vocabulary level of preschoolers is predictive of their third grade reading proficiency. As just one part of Colorado Reads – The Early Literacy Initiative, One Book 4 Colorado aims to close this vocabulary gap by getting a book into the home of every four-year-old in Colorado and fostering a culture of reading.

Colorado Laws & Crosswalk Safety

The men and women of the Lamar Police Department would like to remind the motoring public that Colorado law requires drivers to yield the right of way to a pedestrian who is crossing a roadway in a crosswalk.

There have been a couple of close calls recently involving pedestrians attempting to cross Main Street. One instance involved a child attempting to cross Main Street in the area of the Middle School. Both lanes have to yield the right of way.

Lamar Police Officers will be stepping up enforcement in an attempt to keep our pedestrians, especially our children, safe.
