### High Plains Community Health Center Awarded Quality Outcome Funds

High Plains Community Health Center has received \$61,775 in federal funds as a result of continuing to reach and surpass goals for clinical outcomes.

Examples of these would be how well High Plains' diabetic patients have their blood sugar levels controlled and how patients with high blood pressure have their readings within normal limits.

Dr. Wayne Hudson, High Plains Vice-President of Medical Services, notes, "High Plains has a long history of providing a high quality of care that meets or exceeds national goals. We are now getting rewarded for those efforts. Our clinicians take great pride in keeping our patients healthy and out of the emergency room and hospital."

These funds will be utilized to hire additional staff to assist with patient services.

Laurie Larrick - Vice President of Human Resources - High Plains Community Health Center

### A Special Thank You

Thank you seems inadequate when expressing my heartfelt gratitude to so many people who walked side by side with us the last two years. Your constant love and support meant so much to Floyd and continues to be my saving grace. Your visits encouraged us more than you will ever know and your thoughts and prayers sustained us. I will never forget all the acts of kindness and think about them in difficult times. I will carry them with me always and am forever grateful. A special thank you to Lamar Area Hospice; it is never easy but it would have been impossible without you. Also, thank you Peacock Funeral Home and Lamar Christian Church for your care and guidance through this difficult time.
