Sheriff Sam Zordel announced today that County Sheriffs of Colorado, Inc. (CSOC), the state sheriffs association, will award a \$500 scholarship to a deserving Prowers County student next spring, 2016. CSOC established the scholarship program in 1978. Since then, this effort has continued as a meaningful expression of the sheriffs' confidence in and respect for education and training. CSOC considers this an investment in the future and believes that our membership is helping to provide deserving students with an opportunity to make a positive contribution to society.

Scholarship announcements have been mailed to all high school offices in the eligible counties and to all Colorado higher education institutions. Applications are available online at www.csoc.org, or at the Prowers County Sheriff's office, which is located at 103 E Oak Street, Lamar, Colorado.

Sheriff Zordel explained that this is the 37th year that County Sheriffs of Colorado has made such scholarships available. A scholarship will be awarded in more than thirty Colorado counties this year. Applications will be reviewed by a local citizens committee appointed by Sheriff Zordel, and a selection will be made on the basis of criteria established by CSOC. This criterion includes leadership, merit, character, involvement and career purpose.

Any legal permanent resident of Prowers County enrolled in, or applying to, a vocational training program or institution of higher learning in the State of Colorado as a full- or part-
